Rashtriya Yuva Diwas, commonly known as National Youth Day, is observed on Swami Vivekananda birth anniversary. This day serves to raise awareness and impart knowledge about the rights of individuals in India, emphasising the importance of proper conduct within the nation.

Vivekananda believed that the future of any nation depends upon its human resource and the main aim of education should be to develop this human resource. He says each soul is potentially divine. The goal is to manifest this Divinity within by controlling nature, external and internal.

On this occasion, the Principal of the college, Dr. Ravindra Kumar said that - To Vivekananda, each individual should be able to search out and develop the religious seed embedded in him and thus find the absolute truth or reality. Hence he advocated the training of feelings and emotions so that the whole life is purified and sublimated.

Vice Principal Mr. Ajit Kumar Singh said that- Swami Vivekananda emphasized the importance of self-confidence and self-respect. He said, "You are the soul, free and eternal, ever pure, ever perfect." He urged us to realize our true nature and potential, and not to depend on external factors for our happiness and success. He said, "The greatest religion is to be true to your own nature. Have faith in yourselves."

Mr. Binod Kumar Suman said that- Swami Vivekananda was a man of action and determination. He inspired us to overcome our lethargy and inertia, and to pursue our goals with zeal and enthusiasm. He said, "The world is the great gymnasium where we come to make ourselves strong." He encouraged us to face the challenges and difficulties of life with courage and perseverance. He said, "Strength is life, weakness is death."

Dr. Reshma Agrawal said that- He explored various philosophies and religions, and found the essence of all in Vedanta, the ancient Hindu philosophy of non-dualism. He said, "Vedanta is the science which teaches us how to know ourselves." He taught us that the ultimate source of knowledge and guidance is within us, and that we have to awaken our inner light and intuition. He said, "All the powers in the universe are already ours. It is we who have put our hands before our eyes and cry that it is dark."

Ajit Singh  
PRINCIPAL

Mr. Prakash Bardhan said that- Swami Vivekananda was a man of compassion and love. He said, "The more we come out and do good to others, the more our hearts will be purified, and God will be in them." He advised us to follow our heart and conscience, and not to be swayed by the opinions and judgments of others. He said, "The greatest sin is to think yourself weak. No one is greater: know that you are great."

Today in this program, the Principal of the college Dr. Ravindra Kumar, Vice Principal Ajit Kumar Singh, Binod Kumar Suman, Pawan Kumar Suman, Reshma Agarwal, Dr. Rajesh Ravidas, Prakash Bardhan and B.Ed trainees were present. SUBHASH CHANDRA BOSE JAYANTI

DATE: - 23.01.2021

23 जनवरी

REPORT

**Aim and Objective:-**

The political goal of Subhas Chandra Bose revolved around providing freedom to India from the British. He worked efficiently to achieve his goal. With time this goal of Subhas Chandra Bose was converted to become the ultimate purpose of his life. When he returned to India, he was influenced by Mahatma Gandhi.

Every year on January 23, Parakram Diwas is observed to pay tribute to Netaji Bose's strong spirit of patriotism, his unwavering devotion to liberation, and his strong spirit.

Subhas Chandra Bose also known as Netaji ,his political views were in support of complete freedom for India with a classless society and state socialism at the earliest, whereas most of the Congress Committee wanted it in phases, through a Dominion status.

## About the Program:-

On the auspicious occasion of Parakram Diwas, the birth anniversary of Netaji Subhash Chandra Bose was celebrated online through Zoom app at K.N. Bakshi College of Education

Today on this occasion the Principal Dr. Ravindra Kumar said that- Netaji's role transcended national boundaries, especially during the tumultuous period of World War II. Recognising the geopolitical shifts of the time, he sought international support for India's cause. His diplomatic endeavours aimed to leverage global alliances and capitalise on the chaos of the war to further the agenda of Indian independence.

Vice Principal

Mr. Ajit Kumar Singh said that- His famous rallying cry, "Give me blood, and I shall give you freedom!" encapsulated the intensity of his belief in sacrificing everything for the nation. This resonated deeply with the masses, inspiring a renewed sense of purpose and commitment to the cause.

Mr. Binod Kumar Suman said that- Undeterred by the differences within the Congress, Netaji continued his unwavering commitment to India's independence. In 1939, he founded the Forward Bloc, an organisation dedicated to forming a united front against colonialism. This move showcased Netaji's resilience and his determination to pursue the fight for freedom on his terms.

Mr. Pavan Kumar Suman said that- Netaji Subhash Chandra Bose's achievements within the Congress and his subsequent role in forming the Forward Bloc were instrumental in shaping the trajectory of India's struggle for freedom. His resolute leadership and unwavering spirit profoundly shaped the historical narrative, steering the course of pivotal events in the nation's pursuit of independence.

*Ajit Kumar Singh*  
PRINCIPAL

Mrs. Reena Saw said that- Netaji Subhash Chandra Bose Jayanti Day begins with solemn and uplifting flag-hoisting ceremonies across the country, each flutter of the tricolour resonating with the symbolism of freedom that Netaji fiercely championed. These ceremonies become a visual representation of the principles he stood for, a poignant reminder of the sacrifices made during the struggle for independence.

### **Outcomes:-**

Subhash Chandra Bose was a significant leader in the Indian independence movement against British rule. His contributions to the cause of freedom, including the formation of the Indian National Army and his ability to rally a large number of Indians to the cause, have been recognized and celebrated.

Today on 24/02/2021 (Tuesday) a one day workshop was organized on “Water Conservation Campaign” at K N Bakshi College of Education, Karmatand, Bengabad, Giridih.

College principal Dr.Ravindra Kumar said in his address that water crisis is a serious problem in the present time. Water conservation is essential to overcome this crisis. Water crisis is the biggest problem in the world. We all have to solve this together. Water is the precious gift of god on the earth. Life exists on the earth because of the availability of water.

Mr. Ajit Kumar Singh said that: water is the most essential element of life on earth. It's the first need and necessity of a living being. Water conservation is a hot topic nowadays as we human beings are not making the correct use of water and wasting it unnecessarily. Water conservation simply means that we should use water wisely and does not contribute to water scarcity.

Mr. Vinod Kumar Suman said that: water is the most basic and important component of our lives. We need water to survive in the world. We cannot imagine a life without water. **AIDS AWARENESS PROGRAM**

DATE:- 01.12.2021

## **Aim and Objective:-**

Equip young individuals with comprehensive knowledge about HIV/AIDS, its impact on health, and the importance of early detection, testing, and treatment. This objective aims to empower youth with the information they need to make informed decisions regarding their sexual health. AIDS stands for acquired immunodeficiency syndrome. AIDS is the most advanced stage of HIV infection. HIV attacks and destroys the infection-fighting CD4 cells (CD4 T lymphocyte) of the immune system. The loss of CD4 cells makes it difficult for the body to fight off infections, illnesses, and certain cancers. In such a situation, awareness is necessary to prevent it.

## **About the Program:-**

On December 1, B.Ed trainees organized an awareness program for AIDS prevention, the sole objective of which is to control AIDS.

On this occasion Principal Dr. Ravindra Kumar said that- I appreciate college efforts to sensitize the community towards the prevention of HIV/AIDS. This will go a long way in supporting our fight against this life-threatening disease. I thank the organisation for reaching out to the community at large and working towards an AIDS-free society.

Mr. Ajit Kumar Singh said that- World AIDS Day is important because it reminds us that HIV still prevails in society and so is the social

stigma around it. Need to spread awareness among people, to raise funds for patients and to fight prejudice against the discrimination HIV diagnosed people face is really high. The public must attain proper knowledge about the virus and how to treat people living with HIV fairly.

Mr. Binod Kumar Suman said that- Messages such as practicing safe sex and not discriminating against people living with HIV might seem simple and obvious but it is at this level that we need to fight against the tide of HIV. And coming from people like yourselves that are held in such high esteem in your communities, the impact can be great.

Mr. Prakash Bardhan said that- we can also propagate the fact that getting tested to check HIV is a common thing to do. The only way to identify a HIV virus is through testing. Beginning treatment early for HIV can increase the chances to live a full, healthy and productive life. There are also free and confidential tests available.

The programme was conducted by Dr. Rajesh Ravidas and vote of thanks was given by Mr. Pawan Kumar Suman. The programme was concluded with the national anthem.

#### **OUTCOMES:-**

India has demonstrated an overall reduction of 57% in the annual new HIV infections among adult population from 2.74 lakh in 2000 to 1.16 lakh in 2011, reflecting the impact of various interventions and scaled-up prevention strategies under the National AIDS Control Programme (NACP). In such a situation, by doing such programs, this problem will decrease in the coming days.
