SWAMI VIVEKANAND JAYANTI

SUBJECT - Life philosophy of Swami Vivekananda

DATE :- 12/01/2023 (Thursday)

REPORT

Today date: January 12, 2023, on the auspicious occasion of Swami Vivekananda Jayanti, a seminar on the philosophy of life of Swami Vivekananda was organized in the seminar hall of K.N. Bakshi College of Education. According to Swamiji, struggle has a very important place in life. A person has to struggle at every step. If one wants to achieve success in struggle then one must be strong in body and mind.

The program started with garlanding of the portrait of KN Bakshi and lighting of the lamp. In the beginning the program started with Saraswati Vandana and welcome song. The welcome speech was given by Dr. Santosh Kumar Yadav, in which the Principal, all the teachers, non-teaching staff and trainees were welcomed on the occasion of Swami Vivekananda Jayanti.

On this occasion, Principal Dr. Ajit Kumar Singh said that- Swami Vivekananda believed that "The more difficult a man's struggle is, the greater will be his victory." The bigger your goal, the bigger your struggle". Swami Vivekananda's thoughts are a source of inspiration for all of us in this modern era, which are like a river of hope in our lives.

Vice Principal Binod Kr. Suman said that - Whatever has to be done according to Swami Vivekananda. We do not pay attention to it, and after seeing others, we start doing the same. Due to which we stray away from our goal of success.

Mr. Pavan Kr. Suman said that - The main principles of his life were truth, simplicity, spontaneity, sacrifice, meditation. Swamiji was a principled person, who always remained a source of inspiration for the youth. Swami Vivekananda was a great personality. His birthday, 12 January, is celebrated throughout India as Youth Day.

Mrs. Reena Saw said this occasion - According to Swami Vivekananda, physical development, mental development, character development, observance of celibacy for concentration, professional aim, development of personality, self-confidence, development of faith, development of spirit of renunciation and promotion of universal brotherhood.

All teachers, non-teaching staff and trainees were present in today's program. Vote of thanks was given by Mr. Prakash Bardhan. Finally the program was concluded with the national anthem.

केएन बखशी बीएड कॉलेज में टेलिग्राफ का आयोजन

बेंगलूर: केएन बखशी बीएड कॉलेज में शुक्रवार को युवा दिवस के मौके पर संविधान का आयोजन किया गया। स्वामी विवेकानंद का जीवन - दर्शन विषय पर आयोजित संविधान में बीएड और टीएलएड के प्रतिभाषिणी में भाग लिया। इसके पूर्व स्वामी विवेकानंद के चित्र पर पुष्प अर्पित कर उन्हें याद किया गया। कार्यक्रम में बीएड पर टीएलएड के सभी प्रतिभाषिणी में भाग लिया। प्राचार्य डॉ. अमित कुमार सिंह ने कहा स्वामी विवेकानंद का जीवन राष्ट्रभक्ति, आध्यात्मिकता और कर्मयोग के लिए समर्पित करता है। उनके महान विचार और असाधारण देशप्रेमियों का मार्गदर्शन करते रहेंगे। उप प्राचार्य प्रो. विनोद कुमार सुमन ने कहा स्वामी विवेकानंद जातिवाद व सामाजिक अंधकार के प्रखर आलोचक व सामाजिक समरसता के वक्ता थे। उन्होंने युवाओं में राष्ट्र के प्रति जागृत करने के साथ आधुनिकता से अध्यात्म को जोड़ने के विचार दिये। प्रो. सुमन शर्मा ने कहा कि स्वामी विवेकानंद के अनुसरण से ही और विचार कर्म ही सफलता पाने का एकमात्र उपाय है। मौके पर प्रो. मिलेश लक्ष्मी, मदन कुमार पांडेय, रवीन सिन्हा, नारायण कोल, विष्णु कुमार, किनस कुमार, रागिनी राजन, जयप्रकाश कुमार, राकेश कुमार, शंकर चंडित सहित अन्य उपस्थित थे।

स्वामी विवेकानंद के विचारों को :

स्वामी विवेकानंद का जीवन एक ऐसी ही यात्रा थी जिसमें उन्होंने अपने देश के लोगों को जागृत करने के लिए अपना जीवन समर्पित किया। उनके विचारों में राष्ट्रभक्ति, आध्यात्मिकता और कर्मयोग के लिए समर्पित करने का जोर था। उनके विचारों ने देश के युवाओं को जागृत किया और उन्हें अपने देश के प्रति जागृत करने के लिए प्रेरित किया। उनके विचारों ने देश के युवाओं को जागृत किया और उन्हें अपने देश के प्रति जागृत करने के लिए प्रेरित किया। उनके विचारों ने देश के युवाओं को जागृत किया और उन्हें अपने देश के प्रति जागृत करने के लिए प्रेरित किया।

OUTCOMES :- There are many things in the life of Swami Vivekananda which impress us. Serve one Guru in such a way that history is made. Have knowledge of all religions, respect them but do not forget your religion. Nothing is impossible. With these valuable thoughts, the trainees will be able to develop their understanding.

VOTER AWARENESS PROGRAM

DATE :- 25/01/2023 (Wednesday)

REPORT

Today date: 25 January 2023, under the aegis of National Service Scheme(NSS), Voter Awareness Program was organized online through Zoom app. Voting is important because it is a way for people to have a say in their government and to elect officials who represent their interests. It is also a way for people to hold their government accountable. Voting allows people to have a voice in the decisions that affect their lives. Everyone took oath on this occasion.

On this occasion, Principal Dr. Ajit Kumar Singh said that - voting is important because it sends a message to our elected officials that we care about what happens in our country and that we are paying attention to the issues that matter to us. When large numbers of people don't vote, it sends the message that we are complacent and that they can get away with anything.

Mr. Binod Kr. Suman said that - In addition to being a fundamental right, voting is also important for the health of our democracy. When people do not vote, they are effectively silencing themselves and ceding power to those who do vote. This can lead to bad decisions being made that impact everyone, even those who did not bother to vote.

Ajit Kumar Singh
PRINCIPAL

K. N. BAKSHI COLLEGE OF EDUCATION
KARMATAND, BENGABAD, GIRIDIH

Mr. Pavan Kr. Suman said that- Universal suffrage means that all citizens who are 18 years of age and above are free to vote irrespective of their caste or education, religion, colour, race and economic circumstances.

Mrs. Reshma Agrawal said this occasion - It is through the power of suffrage that the public elects or changes its representatives. Voting rights develop a sense of equality within us, because our vote has the same value as anyone else's vote.

Dr. Rajesh Ravidas said that - Elections are an important part of democracy. Democracy is created only through elections. The residents of the country decide the future of the country through elections. National Voters' Day is celebrated with the aim of making this importance of voters effective.

All the teachers, non-teaching staff and trainees participated in today's program and took an oath that we all will definitely participate in the voting. The program ended with the national anthem.

OUTCOMES :-

- ❖ The right to vote is a fundamental right. This right has been granted to us by the Constitution. Through voting we elect the representatives of our country. These representatives form our government and rule our country. Therefore, it is important that we exercise our franchise and contribute to the development of our country.
- ❖ Through voting we can shape the future of our country. We can decide in which direction our country should move. We can decide what kind of government we should have in our country. Therefore, it is important that we use our voting properly.

Report on International Women's Day Celebration

Date :- 08-03-2023

Introduction:

International Women's Day, celebrated annually on March 8th, is a global event that recognizes the achievements and contributions of women throughout history. K.N.Bakshi College of Education observed International women's day on 8th March 2023. Some teachers and students, worked diligently to organize a meaningful and inclusive celebration.

The goal of the programme was to raise awareness about gender equality, acknowledge the accomplishments of women, and inspire students to become advocates for women's rights.

Activities:

The day began with a lamp lighting ceremony which was done by our honourable secretary of the college, Mr. Ranvijay Shankar. Students and teachers gathered to discuss the importance of gender equality and shared stories of influential women who have made significant contributions to society. Mr. Ranvijay Shankar, honourable secretary on his opening remarks expressed that today women are waving the flag in every field. Every citizen should pay respect to the women who are playing an important role in the development of the society and nation.

Mr. Ajit Kumar Singh, Vice Principal on his address informed that Women and girls have made great gains by demolishing barriers, and driving progress. Yet they face immense obstacles. Billions of women and girls face marginalization, injustice and

discrimination. He also informed that violence against women and girl has been described by WHO as a global public health pandemic, with 1 in 3 women around the world experiencing physical or sexual violence in their lifetime. He also declared that on International Women's Day, we stand with women and girls fighting for their rights, and we commit to accelerate their progress. We must invest time in programmes to end violence against women, and to drive women's inclusion and leadership in economies, digital technologies, peace building and climate action.

Conclusion:

The International Women's Day celebration at K.N.Bakshi College of Education was a resounding success, fostering a sense of unity, awareness, and empowerment among students and staff. The events and activities provided a platform for meaningful discussions and reflections on the importance of gender equality. By instilling these values in our students, we hope to contribute to a more inclusive and equitable society in the future.

In his address on today's topic, the chief guest Dr. Birendra Kumar Chaurasia said that- Our curriculum is not only rich in academic content, but is also designed to develop and inspire children to become lifelong learners. The curriculum has been designed in such a way that modern methods of learning have been used in it. The curriculum is a standard based sequence of planned experiences where students practice and gain proficiency in content and practical learning skills. The curriculum is the central guide for all teachers on what is required for teaching and learning, so that every student has access to rigorous educational experiences. In this sequence, this two-year curriculum issued for B.Ed trainees makes it special in many ways.

The current curriculum covers every aspect to produce a successful teacher. The norms, values, ethics and philosophy of the curriculum will benefit teachers, students and the entire education system. Curriculum and instructional strategies are essential components of imparting knowledge. In this course, there is a 4-week observation in the school in the second semester, by which we learn everything from teaching and learning about the environment and transportation facility etc. There is a 12-week internship in the third semester, where all the trainees will prepare lesson plans related to their subjects and teach in different schools. This inculcates the basic quality of a teacher.

Dr. Santosh Kumar Yadav gave the vote of thanks for today's program. Principal Dr. Ajit Kumar Singh, Mr. Pawan Kumar Suman, Mr. Prakash Bardhan, Dr. Rajesh Ravidas, Dr. Santosh Kumar Yadav, Mrs. Reshma Aggarwal, Mrs. Reena Saw, Mr. Nitesh Kumar, Dr. Rajesh Ravidas and B.Ed trainees were present in this program. The program concluded with the national anthem.

Meaning of Teacher Education :

❖ It is well known that the quality and extent of learner achievement are determined primarily by teacher competence, sensitivity and teacher motivation.

❖ The National Council for Teacher Education has defined teacher education as : A programme of education, research and training of persons to teach from pre-primary to higher education level.

❖ Teacher education is a programme that is related to the development of teacher proficiency and competence that would enable and empower the teacher to meet the requirements of the profession and face the challenges therein.

❖ Pestalozzi believed that education should develop the powers of 'Heads', 'Heart' and Hands. He believed that this would help a person to become a self-reliant individual. Knowing what is right and what is wrong is only the beginning.

On the occasion Chief Speaker Mr. Sanjay Kumar Suman said that:- Education is the greatest determinant of success. It helps in unlocking several opportunities and empowers an individual to develop crucial skills to lead a fulfilling life. For decades, our Indian policymakers have envisioned a world-class education system through various education policies. However, our Indian education system still battles with many unresolved challenges that need to be addressed.

Principal Dr. Ajit Kumar Singh said that- Whatever progress our society has made over the centuries is because of education. Being the foundation stone of society, education brings reforms, helps in progress and paves the way for innovation. The importance of quality education cannot be undermined in a society, which is why great personalities have extensively written about their needs in a civilized society.

Today's stage was conducted by Dr. Santosh Kumar Yadav and vote of thanks was given by Mr. Binod Kumar Suman. The program was concluded with the national anthem.

OUTCOMES :-

In the Indian context, good quality education helps in aligning the teaching practices as per the student competencies. In this way, it helps in improving the learning outcomes. All in all, quality and education have the power to scale up effective learning at all levels of schooling.

Annual Function Report

Date-20th April 2023

The annual function of K.N.Bakshi college of Education was held on the 20th of April 2023, and it was a great success. The Objective of the function was "Education for all," which reflects the vision of our college to provide quality education to all students.

The event started with the lighting of the lamp by our esteemed chief guest, followed by a welcome dance performance by our students. Our principal, during his speech, highlighted the achievements of the college and the students in the past year. He includingly spoke about the initiatives taken by the college to enhance the quality of education.

The cultural program was the highlight of the function. The students exposed their talents in various performances such as group dances, solo singing, skits, and dramas. The performances were a fusion of traditional and modern themes and kept the audience engaged throughout the event.

We also recognized the achievements of our students in various academic and extracurricular activities. The college awarded prizes to the students who had excelled in academics, sports, and cultural activities.

Our chief guest, in his speech, appreciated the efforts of the college in providing quality education and urged the students to make the most of the opportunities provided to them.

Overall, the annual function was a grand success, and we hope to continue the tradition of celebrating the achievements of our students in the years to come.

"Remedial class"

04/05/2023 (Thursday)

Today on 04/05/2023 (Thursday) a "Remedial class" was organized on the topic "Importance of Teaching aids" at KN Bakshi College of Education, Karmatand. In which today's class was conducted by college teacher Dr. Rajesh Ravidas. Dr. Rajesh Ravidas explained the "Importance of Teaching aids" in detail to the students. Teaching aids are the means through which teachers make their teaching-learning process effective. Teaching aids work to make the learning process permanent and interesting. Under the teaching aids, the work is done to explain the topic to the students through pictures, globes, charts, models etc. Due to which students play an active role in the learning process. Teaching aids are also known as Teaching learning material. This is an excellent means to make teaching effective. It was an informative session for the students. The main objective of today's class was to explain it to those students who could not understand the topic well in the previous class.

outcome :- At the end of the class feedback was taken from all the students in which the students said that they had understood today's content very well.

LITERACY AWARENESS REPORT

“Social and educational issues” program was organized from 08/05/2023 to 12/05/2023 under the aegis of “national service scheme” at K N Bakshi College of Education, karmatand, bengabad, giridih. The program is being implemented under the guidance of Mr. Nilesh Lakra under him “Literacy Awareness” program was organized on 09/05/2023. The main objective of this program is to make India completely literate. This campaign was carried out from fursodih to village basanbari, under which a drama related to girl literacy was also presented by the trainees on literacy of girls, which was highly appreciated by all the audience.

On this occasion Principal Dr. Ajit Kumar Singh said that: - the main objective of such program is to encourage illiterate people to become literate and contribute to the development of the country so that the country can establish its own place globally. A person cannot change the internal structure of the country, for this it is necessary to be educated. Everyone should educate the people around him so that the whole country can become literate.

Vice Principal Mr. Vinod Kumar Suman said that: - Girl Education plays an important role in the process of national development. It is understood that when the opportunities for education of girls increase, they will perform their family and social responsibilities more effectively.

Awareness Program on "Nasha Mukh Samaj"

Today, on 12/05/2023 (Friday), an awareness program on "social and educational problems" was organized under the aegis of "National Service Scheme" at KN Bakshi College of Education, Bengabad, Giridih. The program was started at 8 am from the college premises under the guidance of Principal Dr. Ajit Kumar Singh. In which the Vice Principal of the college Vinod Kumar Suman and all the teachers and all the trainee students of B.Ed and D.El.Ed were included. All the trainees conveyed the message of a drug-free society to the people through banners, placards and various slogans. A street play was staged by the trainees on "Nasha Mukh Samaj" near the upgraded primary school of Fursodih. All the villagers, teachers and students present in that courtyard greatly appreciated the street play. The main objective of today's program was to make people aware of the harm caused by drug addiction in the present times. During the program, oath was also administered to all the villagers present there. Along with today's program the program which was going on for five days was successfully concluded. Finally the program concluded with the national anthem.

ONE DAY HISTORICAL VISIT**

RISUPALIKA

Date :- 03/05/2023 (Wednesday)

Aim and Objectives :-

Historical places are a great way to learn about our past, cultural heritage, and the significance of events that have shaped our society. They offer a unique opportunity for students to see and experience firsthand the artifacts, buildings, and landscapes that have defined our history.

Historical sites hold significant cultural, historical, and artistic value, impacting various aspects of society. They serve as a deep cultural heritage element that expresses a city's identity and ancient life. Historical sites contribute to the charm of a city and can shape urban branding and boost economic growth.

Local history reflects the reality that our lives are shaped by particular places and that our physical place in the world is a major determinant to how our lives are lived. Local history is the study of the everyday struggles and triumphs of ordinary people.

About The Program :-

Visited Rijupalika as part of one day historical place tour for B.Ed trainees. The main purpose of selecting this historical site is its association with the famous Jain religion's last Tirthankara Lord Mahavira. It was at this place that Lord Mahavir Swami attained enlightenment and from here he came to be known as Lord Vardhaman Mahavir Swami from Vardhaman.

On this occasion principal Dr. Ajit Kumar Singh said that - this Historical palace rijupalika are the representation of India's tradition and diverse cultural splendour. These monuments in India are the true guarding pillars of outstanding artistic talent. India is rich in culture, legacy structures, posts, and royal residences.

Vice Principal Mr. Binod Kumar Suman said that - Visiting historical places is an essential part of a student's education. Historical places are a great way to learn about our past, cultural heritage, and the significance of events that have shaped our society. They offer a unique opportunity for students to see and experience firsthand the artifacts, buildings, and landscapes that have defined our history.

Dr. Rajesh Ravidas said that - One of the most significant advantages of visiting historical places is that it provides students with a visual and tangible learning experience. Students can see and touch objects that they have only read about in textbooks, which brings history to life.

Mr. Pavan Kumar Suman said this occasion - Visiting historical places also helps students develop a deeper appreciation for cultural heritage. Learning about other cultures and traditions is essential for understanding and respecting differences. By visiting historical places, students can learn about the customs and traditions of other cultures, which can help foster empathy and tolerance.

After visiting this historical place, all the trainees and teachers returned to the college at 5:00 pm. In today's tour, Principal Dr. Ajit Kumar Singh, Vice Principal Binod Kumar Suman, Dr. Rajesh Ravidas, Mr. Pawan Kumar Suman, Mr. Prakash Bardhan, Dr. Santosh Kumar Yadav, Mrs. Reshma Agarwal and B.Ed trainees were present.

Awareness Program

On

"Water Conservation"

Date :- 09/06/2023 (Friday)

Today on 09/06/2023 (Friday) a program on "Water Conservation" was organized under the aegis of "National Service Scheme" at KN Bakshi College of Education. The program was inaugurated by the Principal of the college Dr. Ajit Kumar Singh by showing the green flag. All the trainees came back to KN Bakshi Talab via village Fursodih, Basanbari making the villagers aware with slogans related to water conservation. Where the trainees were told about the importance of water. It may be noted that eight big ponds have already been made by the college for water conservation where water is stored.

During this program, the Principal of the college, Dr. Ajit Kumar Singh said in his address that whatever nature has given us, it is necessary to preserve them. If we do not conserve water, then in the coming days we will have to face difficulties for water.

Vice Principal Mr. Binod Kumar Suman said in his address that water is life and if we talk about now, many ponds and wells have dried up, if we had conserved water, such a situation would not have come.

In the program, all the trainees told the way to conserve water and tried to give this message that it is necessary to conserve water, by doing this the water level will improve and the moisture in the earth will remain. The main objective of today's program was to save water. Finally the program was concluded with the national anthem.

"Digital Awareness Program"

Date :- 10/06/2023

Today on 10/06/2023 (Saturday) a "Digital Awareness Program" was organized at KN Bakshi College of Education under the aegis of "National Service Scheme". The only purpose of organizing this program was to make people aware about digital so that we all can be saved from the frauds happening in the coming days.

Principal Dr. Ajit Kumar Singh said in his address that we are becoming victims of fraud, how to avoid it and how to keep others safe as well. Today we are all surrounded by digital which we cannot avoid. We all have to take it further while being cautious.

Vice Principal Binod Kumar Suman said in his address that we can imagine moving forward only through digital, we cannot move forward by moving away from it. When there was lockdown all over India, at that time the only support was digital. In today's program, detailed information was given about the benefits of digital and how to make PPT was told so that the trainee can use it in the study. Today's program ended with the national anthem.

ABOUT THE SEMINAR

Education is fundamental in achieving full human potential, which helps developing an equitable and just society, leading to promotion of national development. Providing universal access to quality education is the key to India's continued ascent, and leadership on the global stage in terms of economic growth, social justice & equality, scientific advancement, national integration and cultural preservation. Universal high quality education is the best way for developing and maximizing our country's rich talents and resources for the betterment of the individual, society, country and the world. India will have highest population of young people in the world over the next decade and our ability to provide high quality educational opportunities to them will certainly take of our country to new heights.

New India is envisaged in the vision of our Union as envisaged in the Preamble to the Constitution. It constitutes an endeavour to achieve justice (social, economic, political, equality, opportunity, liberty, fraternity, unity, integrity, safeguarding national interests and sovereignty of the country). To achieve such lofty ideals in real life, New India would also have to mean good governance that works on the principles of efficiency, economy, effectiveness, ethics and ethos. One of the key pillars of ensuring good governance is the participation of civil society that includes non state actors as well as individuals.

The role of a teacher is to shape the minds of the younger generation. That shaping shall be on positive lines, development of a scientific and humanistic attitude and self-discipline. A teacher has to generate the dynamism to inspire the students. The influence of teachers' behavior plays an important role in the academic achievement of students. A teacher has to display exceptional empathy, persistence, diligence, sincerity, research orientation, honesty and flexibility as a person. In generating enthusiasm or avidity for learning a teacher must be a good motivator. The teacher can do this by creating a very interesting classroom environment.

The present Seminar on "Role of Teachers in New Education Policy : 2020" is aimed at strengthening the given objective. Hope this seminar would help in shaping young minds and immensely contribute in the development of nation.

Report of Population control

27.06.2023 (Tuesday)

Population Control Awareness Program held at K.N.Bakshi College of Education, Bengabad, Giridih . The Program was held on 27.06.2023 (Tuesday) and was Organized by Student Council.

This Awareness Program an overview of population control measures and their impact on society. It explores various strategies implemented to regulate population growth, including family planning programs, education, healthcare, and policy interventions. The report examines both the advantages and challenges associated with population control and offers recommendations for policymakers and stakeholders.

The global population has been steadily increasing over the years, raising concerns about resource depletion, environmental sustainability, and social and economic stability. Population control aims to address these issues by managing population growth through a range of strategies.

Population control measures offer several benefits, including:

Environmental Sustainability: Managing population growth can help alleviate strain on natural resources, reduce pollution, and mitigate climate change impacts.

Poverty Reduction: Smaller populations allow for more equitable distribution of resources, potentially reducing poverty rates and improving living standards.

Improved Health and Well-being: Population control promotes better access to healthcare services, leading to improved maternal and child health, lower infant mortality rates, and reduced burden on healthcare systems.

Overall, The Population Control Awareness Program was a grand success.

"Remedial class"

27/06/2023 (Tuesday)

Today, on 27/06/2023 (Tuesday), a "Remedial class" was organized on the topic "mechanism of heredity" at KN Bakshi College of Education, Karmatand. In which today's class was conducted by college teacher Dr. Rajesh Ravidas. Dr. Rajesh Ravidas explained the "mechanism of heredity" in detail to the students. He explained that the transmission of qualities of parents and other ancestors to their children is called heredity. The laws of inheritance determine the pattern of inheritance in all living organisms. The main objective of today's class was to explain it to those students who could not understand the topic well in the previous class.

outcome :- At the end of the class feedback was taken from all the students in which the students said that they had understood today's content very well.

TEACHERS DAY

DATE :- 05/09/2022

REPORT

Like every year, this year too Teacher's Day was celebrated with great pomp on 5th September at K.N. Bakshi College of Education. Teacher's Day is celebrated every year on 5 September. On this day we show dedication and gratitude to our teachers. Teachers are important parts of our life, they provide us knowledge and guidance. On Teacher's Day, special programs are organized in schools and students spend time with their teachers.

Today on this occasion, Principal in-charge of the college, Dr. Ajit Kumar Singh said that - Teacher's Day reminds us that education plays an important role in the development of our society and we should be grateful and dedicated to them. Therefore, on this day we should show deep dedication towards teachers and appreciate them for their inspiring teaching.

Mr. Binod Kumar Suman said that- Teachers are magical creatures who turn the pages of our books into captivating adventures. Teachers create colorful classrooms where learning becomes fun. Their dedication is seen when they explain complex problems in a simple way and solve problems in subjects like mathematics, psychology etc.

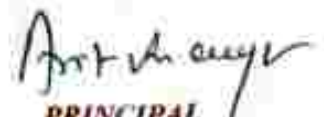

Dr. Santosh Kumar Yadav said that- By celebrating this day we acknowledge teachers as our companions and guides. We work with them as a team that is striving to create new innovations in the field of education.

Mr. Pavan Kumar said this occasion - Teacher's Day is a chance to express our sense of respect and dedication towards our teachers. On this day we praise their contribution and remain grateful to them for their important work. Teacher's Day provides us an opportunity to understand and recognize the importance of education and prompts us to be grateful and dedicated to them.

Mrs. Reena Saw said that- I would like to take this wonderful opportunity to thank our teachers who are providing their never ending and valuable service every day. They work hard for the upliftment of each student so that they can achieve new heights in their life.

OUTCOMES :-

- ❖ Teacher has great importance in our life, which takes a person from ignorance to knowledge. Teacher's Day is celebrated every year to honor the Guru.
- ❖ On this day we also get to understand that teachers put in their time, dedication, and whole heart to impart education. Their work is especially important because they provide life-giving power to new generations with knowledge and ideals.

Polythene Free Campus

Date: - 07/11/2023 (Tuesday)

Today date: - 07/11/2023 (Tuesday) **Polythene Free Campus**

was organized under the aegis of **National Service Scheme (NSS)** at K.N. Bakshi College of Education, Bengabad. Its purpose **Why is a ban on single use plastic necessary?** This particular type of plastic poses the greatest threat to the environment, wildlife and people. These are responsible for increasing the pollution levels and the toxic chemicals released from them can easily pollute the ground water, which can lead to fatal diseases.

On this occasion, Principal Dr. Ajit Kumar Singh said that – There are many disadvantages associated with plastic bags such as not being biodegradable, not having porosity, hence not environment friendly. Moreover, after germination, the bags to facilitate root growth have to be thrown away and if these bags are not collected and disposed properly then the plants get damaged. Hence this program for social awareness was organized by the college trainees. Has been organized.

Mr. Binod Kumar Suman said that – Banning plastic bags helps in reducing the number of bags ending up in landfills, by reducing their use at the source. A plastic bag is used for an average of 12 minutes, and can take over 500 years to decompose – during which time pollutants continue to seep into soil and water so a ban is essential.

Mr. Pawan Kumar Suman said – Plastic bags are difficult and expensive to recycle and most end up in landfill sites where they take about 300 years to photodegrade. They break down into small toxic particles that pollute soil and waterways and enter the food chain when animals accidentally ingest them.

Dr. Santosh Kumar Yadav said that these toxic substances can cause cancer, congenital disability, immune system and affect the development of children in childhood. Other toxins like BPA or health-related bisphenol-A are found in plastic water bottles or food packaging materials. When BPA enters the body, it can cause some serious harm to our body.

Today on this occasion Principal Dr. Ajit Kumar Singh, Mr. Binod Kumar Suman, Mr. Pawan Kumar Suman, Dr. Rajesh Ravidas, Mrs. Nutan Sharma, Mr. Nilesh Lakra, Mr. Shankar Singh, Dr. Santosh Kumar Yadav, Mr. Prakash Bardhan, Mrs. Reena Sao and B.Ed trainee Pooja Kumari, Ritika Kumari, Priyanka Kumari, Mamta Kumari, Kiran Kumari, Shashikant Verma, Roopial Marandi, Ramcharan Marandi, Misir Marandi, Ashalata Hembram, Sarita Kumari etc. Present here.
