

My journey in K. N. Bakshi College of Education was a very memorable experience. The education here, faculty support and extracurricular activities helped me develop in every way. The goal-oriented syllabus and practical exposure of the college gave me a great opportunity to move ahead in my career. The placement cell helped me get a good job, for which I will always be grateful to this college. If any student wants to give a right direction to his career, then K. N. Bakshi College of Education is an excellent option.”
